Balls of Fun also has good quality gym equipment and some very expensive balls. You have the responsibility and opportunity to teach your children how to play with gym equipment properly. If you or your children are not using the equipment or balls properly, it is the staff's job to tell you how to use the equipment so that the equipment is not damaged and children remain safe.

- **We are a peanut and nut-free environment!** Please be aware of the food you bring into the gym.
- **We are a socks only gym! Socks for Everyone!** No slippers (or Robeez) **or nylons!** This rule is not made to inconvenience or bother anyone. The bottom of our feet shed and have oils. If you are wearing nylons or have bare feet, dead skin and oils transfer to the floor and carpet. Indoor slippers are subjective and do not promise the same cleanliness as our socks. We aim to have a clean environment. We also ask that all babies wear socks and not baby slippers. Some baby slippers are not too clean, and we cannot examine slippers and be subjective about the rule. Thank you for helping to keep our gym clean for our children. **Please, wear warm socks or double up on socks to keep your feet warm. Slippers are not permitted!**

Thank you for helping to keep our gym clean for everyone to enjoy!
