

# March 2020 @ Balls of Fun

**COVID-19 NOTE:** We hope you and your family are doing well during this increasingly trying time. We are not sure when we will be able to open the gym.

We will wait and take direction from the Government and the Department of Health. So, we are offering any booked group or party the ability to rebook anytime, within the next 24 months.

Deposits are non-refundable, but we are also not charging a rebooking fee. Once we get the go ahead to reopen the gym, we will contact our groups and parties to see if there is a date that may work for you to rebook your party at Balls of Fun. We are excited to see you again, whenever the virus is no longer a concern.

**The GYM:** If you notice any unsafe behaviour or rules not being respected, please tell a staff member so that the situation can be addressed; then the environment can remain safe and clean for our children. Balls of Fun also has good quality gym equipment and some very expensive balls. You have the responsibility and opportunity to teach your children how to play with gym equipment properly. If you or your children are not using the equipment or balls properly, it is the staff's job to tell you how to use the equipment so that the equipment is not damaged and children remain safe.

**Group Visits:** The gym is **always open to the public** during group/school visits and during gym programs.

**Note:** More groups may book visits after this calendar is published. Please call the gym if you would like more information.

- **We are a peanut and nut-free environment!** Please be aware of the food you bring into the gym.
- **We are a socks only gym!** Socks for Everyone! No slippers (or Robeez) **or nylons!** This rule is not made to inconvenience or bother anyone. The bottom of our feet shed and have oils. If you are wearing nylons or have bare feet, dead skin and oils transfer to the floor and carpet. Indoor slippers are subjective and do not promise the same cleanliness as our socks. We aim to have a clean environment. We also ask that all babies wear socks and not baby slippers. Some baby slippers are not too clean, and we cannot examine slippers and be subjective about the rule. Thank you for helping to keep our gym clean for our children. Please, wear warm socks or double up on socks to keep your feet warm. Slippers are not permitted!

**Thank you for helping to keep our gym clean for everyone to enjoy!**
