

September 2020 @ Balls of Fun

We are OPEN Tuesday-Sunday: 10 a.m. – 5 p.m.

COVID-19 NOTE: We are literally cleaning our balls off, every day, at Balls of Fun, to keep our staff and customers safe and healthy! We have immune compromised staff and customers. So, it is extremely important that we protect each other from the Corona-19 Virus by wearing masks, washing our hands, and keeping our distance. Take this time to teach your children some Covid – 19 safety measures that they can transfer to school and social settings. We look forward to seeing you again!

*The gym will be set up for **Balls & Nets**:*

- The floor space is filled with many different types of nets: badminton, volleyball, rebound, soccer, and basketball. Take the opportunity to talk to your child about the different nets used for sports and games. Practice the skills needed to play the different games that involve balls and nets.

NEW > BOOK ON-LINE! Admission Tickets, Parties, and Group Rentals

The GYM: If you notice any unsafe behaviour or rules not being respected, please tell a staff member so that the situation can be addressed; then the environment can remain safe and clean for our children. You have the responsibility and opportunity to teach your children how to play with gym equipment properly. If you or your children are not using the equipment or balls properly, the staff's will need to inform you on how to use the equipment, so that the equipment is not damaged and the children remain safe.

- **We are a peanut and nut-free environment!** Please be aware of the food you bring into the gym.
- **We are a socks only gym!** Socks for Everyone! No slippers (or Robeez) **or nylons!** This rule is not made to inconvenience or bother anyone. The bottom of our feet shed and have oils. If you are wearing nylons or have bare feet, dead skin and oils transfer to the floor and carpet. Indoor slippers are subjective and do not promise the same cleanliness as our socks. We aim to have a clean environment. We also ask that all babies wear socks and not baby slippers. Some baby slippers are not too clean, and we cannot examine slippers and be subjective about the rule. Thank you for helping to keep our gym clean for our children.

• Please, wear warm socks or double up on socks to keep your feet warm. • Slippers are not permitted!

Thank you for helping to keep our gym clean for everyone to enjoy!
